THE FEELING OF THE PROPLE.

Information reaches us day by kins county, subject to his orders, for day and week by week, that public the purpose of protecting Prisoner sentiment is setting in stronger and Larkin from unlawful violence, Cap-100-3 bill. It was so unexpected, so ernor ordered him to go anyhow, redifferent from what was expected or gardless of expense. This looked like had been advocated by state credit business. Newman chartered a train democrats and republicans during the for \$150, rallied a force of twentyinvass, that the people were taken seven men, or rather boys, and back, dazed and almost rendered proceeded to the scene of expected powerless of expression. They felt carnage. They reached Rogerstrusty leaders, and hardly knew what they had to march across the country to say. They were tauntingly told sixteen miles to Rogersville between that they could not help themselves, that time and breakfast. They capregard to the subject would not have blood, although perspiration flowed any bearing in future—that the debt freely. The quiet old town was never was settled beyond recall for ninetynine years, and that they might w well accept the inevitable. Many oner was enjoying the freedom of the were inclined to believe this, or at least from the habit of following cer tain leaders and influences, seemed to acquiesce. No immediate effect, good and reached Knoxville at noon the But while very little has been said by the people; they are doing a great deal of thinking. The assessment blanks left at many men's doors, and the certainty of paying three or four times as much taxes as usual this fall, in order to meet the first installrailroad, where he was overtaken and ment of interest on the debt on the arrested by Sheriff R. D. Blevins. first day of next January, have already opened many people's eyes; and there are not a few who voted, as they thought, for state eredit last fail, who denounce the 100 3 act and its authors with more vigor than any of the late supporters of Mr. Wilson. A great change is going on, and if it continues it will sweep everything before it There will be but one issue of promi-The Liberia, a bark of 328 tons. which carried colonists sent out by the American Colonization Society to Liberia, will sail to-day for Monrovia, under the command of Captain Fos-sett. Captain Richardson, her former nence in the next state canvass. The people will pass their verdiet upon the 100-3 act and its authors. It will have some defenders, but their ranks will be thinned. The last election was carried by subtle devices, by hitching the state debt question on to the pres idential canvass, by intimidating the weak, by flattering the ambitious, promising the corrupt and the lib-

Under this arrangement the interest on the debt must be paid first, even if blind and insure. These things are people can and will find a way to undo times. It is the only democratic day, "they topped their become and daily in the state that fought persisting a sailed large for home." ently the funding bill of 1873, and the still greater outrage on justice and decency of 1881. Last fall we had the co-operation of a few very ably-edited mobiles, rublished in Middle Tenweeklies, published in Middle Tennessee. But now over half the papers in the state are opposed to the socalled settlement, and the effect is After my return I was for some years beginning to be felt. The conditions the secretary of the society. At one will be entirely different in the next time the National Colonization Society, which had its headquarters at Washington, owned a vessel and used burning shame will be driven to the wall by an indignant and outraged uists. but the method was found to be
